

**Documentary: Saving Snow**

Thurs, Nov 29, 7 PM

Nature Learning Center

From the struggle against fading winters, unexpected heroes emerge. Saving Snow documents how ski towns are coping with warmer winters.

**Winter Bird Ecology**

Thurs, Dec 6, 7 PM

Nature Learning Center

The Christmas Bird Count is fast approaching. Brush up on your winter bird identification as we review local winter bird field marks as well as pass on a few bird feeding tips for the winter season ahead.

**Owl Prowl**

Sat, Dec 8, 7 PM

Nature Learning Center

Join the staff of Tin Mountain Conservation Center as we prowl the Rockwell Sanctuary to see Whooo is out and about on a mid-winters night. We will start inside with a brief presentation on local owls and their adaptations before heading onto the trail to listen for owls and other nocturnal animals. Dress warm. Call 603-447-6991 for reservations.

**EcoForum****Our Land: Current Projects in with WMNF**

Thurs, Dec 13, Noon-1 PM

Nature Learning Center

Curious about trail relocations or backcountry skiing opportunities in the White Mountain National Forest? Jim Innes, District Ranger for the Saco Ranger District, will provide an overview of the year's accomplishments and planned projects for his district.

**Christmas Bird Count**

Sat, Dec 15, all day

Join us for the 30th annual North Conway Christmas Bird Count. Observers are needed for traveling routes by foot, cross country skis, snowshoes, or by car. You can also tally birds at your feeder. We'll meet back at the Nature Learning Center at 5pm to tally our counts and share stories from the day. Call 603-447-6991 to participate.

**Boreal Birds Field Program**

Sat, Jan 5, 8 AM-Noon

Meet at Grant's Parking Lot in Glen

Join the Tin Mountain Bird Society for a winter birding adventure north of the notches. We will visit boreal birding hot spots off Trudeau Road outside Bethlehem to spot resident boreal songbirds, including boreal chickadees, black backed wood peckers, crossbills and other finches. Dress warm. Bring your own binoculars or borrow ours.

**EcoForum****What You Need to Know about Your Well Water**

Thurs, Jan 10, Noon-1 PM

Nature Learning Center

Abby Fopiano, NH DES's Water Well Program Manager, will discuss what private well owners should know about maintaining and testing well health. She will also touch upon water conservation and drought issues.

**Geology of the Presidential Range**

Thurs, Jan 17, 7 PM

Nature Learning Center

They may be currently covered in snow, but there is a lot to discover about the geology of the White Mountain's Presidential Range. Dr. Dykstra Eusden, Professor of Geology at Bates College and author of several books on geology of the White Mountains, will discuss the bedrock history and ancient tectonics of the Presidential Range.

**Glacial Geology Field Program**

Sat, Jan 19, 9 AM-1 PM

Meet at Grant's Parking Lot in Glen

Join Tin Mountain for an on the ground look at the geologic history of the White Mountains, from tectonic plates to glaciers. Hike to the summit of Mount Willard for a view of the glacial U-shaped valley of Crawford Notch. Pack water, a lunch, and layers. The hike is 3.2 miles roundtrip and moderately strenuous.

Thurs, Jan 24, 7 PM

Nature Learning Center

Katmai National Park is a spectacular four million acre national park and preserve located on the Alaska Peninsula in southwest Alaska. Katmai is famous for its geology, salmon and the world's largest protected population of brown bears, estimated at 2,200 individuals. David Govatski will discuss his visit to the region as well as how to go about planning a trip to an area as remote as Katmai.

**In Search of Winter Wanderers: Winter Tracking**

Sat, Jan 26, 9 AM-1 PM

Nature Learning Center

Join Master Naturalist Dr Rick Van de Poll for a comprehensive program on northern New England's winter-active furbearers. This combination slide and outdoor program will cover the basic life histories of two dozen mammals we are likely to see in winter by virtue of their tracks and sign. The hour-long indoor program will precede a 2- 3 hour field excursion at Tin Mountain's Bear Paw Conservation Land on the Maine border. Come dressed for being out in winter weather - we will go out!

**Winter Break Camps**

Winter Art

Tues, Feb 19, 9 AM-3 PM

Grades 1-4

Snow sculptures, sketching, and winter watercolors are just some of the possible art projects for the day. We will spend time inside and outside, so dress warm. Bring a lunch and join us for this day of creativity. Dress warm and bring a lunch. We will provide craft materials, snowshoes, and hot cocoa. Cost: \$45 Members, \$50 Non-Members

**CSI: Tin Mountain Winter Edition**

Wed, Feb 20, 9 AM-3 PM

Grades 2-6

A wildlife "crime scene" has been discovered in the forest. While learning about winter plant and animal adaptations and honing our tracking skills, we will be the detectives to crack the case. Dress warm and bring a lunch. We'll provide cocoa and snowshoes. Cost: \$45 M, \$50 NM

**Wonderful Wildlife**

Thurs, Feb 21, 9 AM-3 PM

Grades K-2

Discover the wildlife of winter as we follow tracks through the snow, observe winter birds, and search for other signs of wildlife written in the winter landscape. It's a winter treasure hunt! Dress warm and bring a lunch. We'll provide cocoa and snowshoes. Cost: \$45 M, \$50 NM

**Winter Survival**

Fri, Feb 22, 9 AM-3 PM

Grades 4-6

Do you think you could light a fire, build a snow shelter, or boil water for cooking to survive the winter cold? Learn the basics of staying warm in the winter. Dress warm and bring a lunch. We'll provide cocoa and snowshoes. Cost: \$45 M, \$50 NM
