## Charitable Trusts\*

*Remainder Interest Trusts* offer the donor an annual income stream for the time stated in the trust. Income may be fixed or variable.

*Charitable Lead Trusts* allow the donor to give income of assets for the donor's life or a term of years. At termination, the principle reverts back to the donor, heirs or third party as defined by the trust. Please contact a committee member regarding Charitable Trusts.

\* The CARES Act provides special tax considerations and deductions for 2020. The CARES Act of 2020 allows you to reduce your taxable income by up to \$300 of charitable donations even if you take the standard deduction. If you itemize your deductions, you can reduce your taxable income by up to 100% of your AGI. These tax benefits are only available for this year, 2020. Please consult your tax advisor for your individual situation. More information: <https://www.natlawreview.com/article/cares-act-tax-benefits-individuals-and-businesses>
